June, 2013

Dear Valued Customer:

All of us at Comcast are committed to improving your entertainment and communications experience, and we continue to invest in making your services even better. While we continue to make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting July 1, 2013, new prices will apply to select* Video, Internet and Digital Voice services and equipment as indicated in this letter.

We want to make sure you are getting the most out of your XFINITY® services. Here are some highlights of the many services available to you, as well as some of the improvements we've made in the past year:

- XFINITY On Demand™—gives you thousands of top shows, hit movies and more—with **90% FREE**.
- XFINITY delivers the fastest Internet. You get **reliably fast speed—even during peak use periods**—so you have the speed you need to connect all your devices at the same time.
- We now offer many **free help and how-to videos**. Visit www.youtube.com/xfinity to learn how to program your remote control or your DVR, manage parental controls, sign up for paperless billing, and so much more.
- We've improved our online experience. We invite you to visit our new and improved website: www.comcast.com/myaccount to login or set up your user name.

You can manage your account preferences, equipment settings, pay your bill, manage appointments, and get help whenever you need it. You can also watch your favorite programs online, set your DVR, and add your favorite shows to your Queue.

Plus, visit our mobile site at m.comcast.com from your smartphone to manage appointments, check your balance, and receive text alerts.

Of course, we back up our services with the Comcast Customer Guarantee™. We promise to provide you a consistently superior experience, including 24/7 customer service, two-hour appointment windows and on-time arrival—or we'll give you a free premium channel for three months.

Still have questions? Visit us at www.comcast.com/questions or call us at 1-877-806-7905. Thank you for choosing Comcast. We value you as a customer, and we look forward to continuing to serve you.

* If you are currently receiving services on a promotional basis, under a minimum term agreement associated with a specific rate, or in the guaranteed period of one of our SurePrice™ plans, the prices for those specific services will not be affected during the applicable period.
